FIFTEEN BILLS TO PUT TEETH IN PA. ELECTION LAWS

Designed to Curb the Abuses Which Result in Stolen Elections

ANSWER TO PINCHOT

One May Go to Governor for Signature on Monday Night

By G. Everett Doying
(I. N. S. Staff Correspondent)

HARRISBURG, Dec. 8.—(INS)—Fifteen bills to give Pennsylvania's election laws teeth to halt abuses which have resulted in stolen elections are before the special session of the legislature today.

They represent the answer to Gov. Gifford Pinchot's demand for reforms in voting laws.

One of the bills may go to the Governor for his signature next Monday night and a number of the others have started on the route to enactment.

Still others, however, contain plenty of material for factional disputes and these may encounter rough sailing if they come out of committee. At least one bill is likely to meet with a gubernatorial veto if passed.

This is the Howard "party raiding" bill in the House, similar to, but phrased differently than the Woodward measure which Governor Pinchot killed during the last regular session because he said it was unconstitutional. Like the Woodward measure the Howard bill would prevent candidates for other than judicial offices to file for more than one party nomination.

Governor Pinchot made no mention of "party raiding" in his message to the Legislature. Recommending laws to prevent any candidate from being elected who cheats at the election and permanent registration for cities, he said:

"The call opens the door also to other election safeguards."

Bills to disqualify "cheating candidates" and to set up permanent registration in all cities have been presented. The Howell bill providing permanent registration for Scranton will go to the Governor Monday if the Senate concurs in House amendments acceptable to the sponsor. Similar bills for other cities either are on the calendar or are expected to be brought out of committee next week.

Senator Frank Harris, Allegheny, is sponsoring half a dozen measures to close loopholes in present laws. One bill empowers returning boards to disqualify the vote of any district where more votes are found to be cast than there are registered voters. The check would be made before the vote is recorded.

Another sets up an elaborate system whereby the number of ballots cast in election districts would be determined by booth officials before the count is begun. The bill also provides that minority party judges read the votes while majority judges tabulate.

Paid party "watchers" would be eliminated by a third Harris document. Candidates seeking primary nominations would pay a fee of one dollar for each two signers required on the petition, with a minimum of \$5.00 under another bill. The fee would be returned only if the candidate's party polled two percent of the total vote—or enough to give the party official recognition on the ballot.

Dr. H. Doyle Webb To Talk To Legion Cadets Tonight

The American Legion Cadets of Bracken Post, will be given a talk tonight on the subject of "Health." The speaker is to be Dr. H. Doyle Webb, a well-known Bristol physician.

This meeting tonight will mark the first of a series which are planned for the winter. It is planned to have instructive talks given the boys at frequent intervals.

It has also been decided to lower the age limit from 11 years to nine years. There are still a number of vacancies in the corps and boys desiring to join may apply any Friday evening at the Bracken Post rooms. One or both parents should accompany the applicant.

AWAY FOR HOLIDAYS

FALLSINGTON, Dec. 6.—All but four of the faculty members, Falls Township Schools, spent the Thanksgiving holiday away from Falls Township. Andrew J. Chamberlin, supervising principal, divided his time between Fallsington and a deer hunting trip. Henry L. Myers, principal, at his home, Mill Hall; Bennett Strait went deer hunting in the mountains, and David Lapp at Nazareth; Miss Charlotte Kirby, Holland; Miss Evelyn M. Horner, Johnstown; Miss Kathryn Biddle, Dushore; Miss Eleanor Espleman, Philadelphia; Miss Olive Mae McAlarney, Barnsboro; Miss Helen Wheaton, Wilkes-Barre; Miss Laura Rice, Easton; Miss Bernice Lutz, Kutztown; Miss Margaret White, Shippensburg; Miss Ruth Conrad, Fleetwood; Miss Lestha Shearer, Dallastown; Miss Anita Balderston, Dolington; Miss Helen Dansbury, Yardley.

REPUBLICANS GAIN IN MORRISVILLE COUNCIL

Bloc Opposed To Thomas B. Stockham Is Broken Up By Change

ONLY ONE DEMOCRAT

MORRISVILLE, Dec. 8.—With the reorganization of Common Council on New Year's Day, the Democrats will lose one member in that body. The lineup will stand seven Republicans and one Democrat. The lone Democrat to remain is John G. Bleasdale, of the Fourth Ward, who has two more years to serve.

Three new members, and one who was re-elected, will take their places in the new body when it reorganizes. The new men are Elwood Kohl, of the First Ward; Paul Nichols, of the Second Ward, and John Sumner, of the Third Ward. Frank Braker, of the Fourth Ward, is the member who was re-elected. Kohl will succeed Charles C. Young; Nichols will succeed Harry M. Lair, and Sumner will succeed George Burner.

While the political complexion of council will not change with the reorganization, it is expected that A. T. Lynch, who has been president for the past two years, will again be re-elected, and that the present secretary, William H. Howell, and treasurer, Watson J. Simons, will be retained.

The terms of the employees of the water works will come up for disposition and just what action will be taken in this matter has not been determined. It is reported that where vacancies exist Republicans will be placed.

With the reorganization the old bloc, which controlled council, is broken up.

Three members of that group retire on the first of the year, and it is expected that the seven Republican members of the new council will unite in adopting a policy to be carried out during the next two years.

The new council, it is believed, will work harmoniously with Mayor Thomas B. Stockham, who was re-elected for another four-year term. This will be something new for Morrisville since the present council has been more or less at swords points with the chief executive. At times there has been strong opposition to his proposals, and in the recent fight to reduce taxes he was bitterly opposed by the bloc which consisted of two Democrats and three Republicans.

At one time the opposition to the mayor was so strong that he was stopped in the midst of his remarks while addressing council. This caused a rift which kept Mr. Stockham away from the council meetings for many months.

CIRCULATION INCREASES

Washington, D. C., Dec. 8.—Continued evidence of a slightly increased use of money in productive business was reflected by today's Federal Reserve Bank condition statement. Money circulation for the week ending December 6th, showed an increase of \$15,000,000, a normal tendency for the season to a total of \$5,758,000,000 that was \$89,000,000 higher than a year ago.

BELIEVE FLIERS WILL HALT

Para, Brazil, Dec. 8.—Pan-American officials here today placed little credence in Natal reports that the Lindberghs were planning a non-stop flight to Miami, expressing the belief that they would make an overnight stop en route.

FORMER BRISTOL MAN ENDS LIFE; INHALES GAS

George Vorhis Is Victim; Had Complained of Ill Health

WORKED IN MT. HOLLY

A former resident of Bristol, George Vorhis, 35, ended his life in Mt. Holly, N. J., yesterday, by inhaling illuminating gas.

Vorhis, who was employed at the barber shop of Nelson Heck, 12 Mill street, Mt. Holly, arrived at his place of employment in the morning, complaining of feeling ill. A short time later he ascended to the apartment of Heck above the barber shop so that he might lie down.

During the morning a customer, Albert Pew, Mt. Holly, noticed the odor of gas. Hurrying to the second floor, Pew and others who accompanied him, found Vorhis' lifeless body on the bed. The doors and windows were tightly closed, and gas was flowing from the jet.

Coroner Russell M. Stoddard, of Mt. Holly, was summoned, and pronounced the man a suicide.

Vorhis, who was single, was the son of Ella and the late Harry U. Vorhis. He saw much action with a tank corps during the World War, and was gassed and wounded.

Funeral from the home of the deceased's mother, First avenue, Edgely, Sunday, at 2:30 p. m., will be strictly private, as will also interment in Bristol Cemetery. Friends may call Saturday evening from 7 to 9 p. m.

L. L. Williams Succeeds C. Wenner As Board Pres.

CORNWELLS HEIGHTS, Dec. 8.—At the reorganization meeting of Bensalem Township school board in the high school building here last night, Lewellyn L. Williams was named president, succeeding Charles Wenner, and Lewis Reichert was chosen vice-president.

Mr. Wenner presided at the meeting, and two were sworn in as members of the board, these being Jacob Scheufele who was recently re-elected as a member of that body, and George Cragg who was chosen to succeed Richard W. Fechtenburg whose term had expired. Mr. Fechtenburg will retain his post as secretary, however.

A committee from the Bensalem Township Taxpayers' Association attended the meeting.

Reports from standing committees were heard, as well as from Superintendent Samuel K. Faust. The building and grounds committee announced that it will make application to the State Civil Works Administration to have improvements made to the school buildings and grounds. All salaries and bills were paid.

CLUB WOMEN HEAR OF WORK AMONG UKRAINIANS

Langhorne Sorosis Members Invited to Tea at Ukrainian Institute, Philadelphia

STRESS CITIZENSHIP

LANGHORNE, Dec. 8.—Two topics were touched upon at the semi-monthly session of Langhorne Sorosis in the library building yesterday afternoon. "American Citizenship" was stressed as part of the program, and a Ukrainian resident of Philadelphia told of her social service work among Ukrainian people in that metropolis.

The gathering also honored Mrs. Joseph H. Lovett, on the occasion of her birthday. The women sang birthday greetings to Mrs. Lovett, who is the oldest member of the club, a past president, and an honorary member.

After transacting business, Mrs. J. Lynn Harrington, president, turned the meeting over to Mrs. Harriet Tomb, American Citizenship chairman of the club, who introduced the visiting speakers, touching upon this subject. These were: Mrs. Horace M. Jones, state chairman of American Citizenship, and an active D. A. R. worker; and Mrs. Alexander, of Allegheny County, who is also active in American Citizenship work. Mrs. Jones briefly outlined what is necessary in order for a woman to be a good member of such a committee.

Mrs. Kachmarski, of Philadelphia, a social service worker among Ukrainians in the Quaker City, and who is an ardent worker in this phase of citizenship, ably held the women's attention. She told that the personal touch counts more than instruction in assisting these people to good citizenship. "Be their friend, and they will always be your friend, and will become better citizens because of proper guidance in this manner," she said.

The Philadelphia invited Sorosis members to attend a tea at the Ukrainian Institute, 2401 N. College avenue, Philadelphia, on December 21st. At that time the localities will have an opportunity of viewing handiwork of Ukrainians, and also of partaking of Ukrainian bread and cakes.

Today a large delegation from the Sorosis will attend an institute at Newtown when "American Citizenship" will be stressed.

School Board Will Ask Aid of Civil Works Group

Bristol Township school board was reorganized last evening, and plans made by that body for application to the State Civil Works Administrator to have all school buildings in the district painted and generally overhauled.

Two members were sworn in at the session last evening at the Maple Shade school house, these being: Ira Brown, who was re-elected as the last election; and James Robinson, who was elected for the first time.

Mr. Brown was named president during the course of election; William H. Smyrl, vice-president; Arthur Seyfert was named secretary, and Arthur Wilkinson, treasurer.

Messrs. Smyrl and Wilkinson were appointed members of the committee to make application for the work which is desired to have done and to attend to the details in connection therewith.

The board will, through its representatives, ask that the buildings be painted inside and outside where necessary, and that any needed repairs be made.

FIND FOUR KIDNAPPED GUARDS

Halifax, Nova Scotia, Dec. 8.—Four Canadian coast-guardsmen who were kidnapped by the crew of the rum runner Kromhout have been landed at St. Pierre, Miquelán, according to a wireless message received here today, at the headquarters of the Royal Mounted Police. Police advised said the rum runners had turned the tables on the coast guardsmen and taken them captive. Orders had been issued by authorities to keep a sharp lookout for the Kromhout.

GIVE APPROVAL TO CIVIL WORKS JOBS IN BUCKS COUNTY

Grading Projects to Be Done in Borough of Morrisville

SOME IN 'TULLYTOWN

Curbing To Be Reset Along Main Street In Tullytown

A few additional projects in Bucks County under the Civil Works program have been approved, according to John S. Roberts, Jr., Bucks county administrator.

These jobs include projects of various types of public improvement in different sections of the county. They are as follows:

State Game Land, No. 56—Opening fire protection trails by recommendation of the Board of Game Commissioners, in charge of Warren Pritz, to employ nine men.

Highway projects—In different sections of the county, in charge of Samuel Eckles, to employ 173 men.

Clearing Bowman Hill section of Washington Crossing Park, in charge of Ernest Harvey, to employ 17 men.

Tullytown—Resetting flagstone curbing 5250 feet in length, Main street, to employ 17 men.

Morrisville—Grading of Grove street from Clymer avenue, to Green avenue with tile foundation, cinder surface material, to employ 16 men; grading and landscaping of school ground at the Robert Morris and Summerseat buildings, including widening of driveway and building retaining walls and pillars at entrance of drive, 1000 cubic yards of earth and hard surfacing of two drives, to employ 13 men; grading streets adjoining high school, constructing tile foundation with cinder surface, installing drain on Clymer avenue, constructing curbs and gutters around remainder of school tract, to employ 16 men; grading part of Hillcrest, Harper, North Lafayette avenues, constructing tile foundation, cinder surface, to employ 16 men.

Telford—Regrading and rebuilding roadways and gutters on ten streets, to employ eight men.

Perkasie—Painting of class-rooms and halls in three school buildings to cover 67,400 square feet of surface, to employ 14 men.

So far as possible the labor will be taken from the communities in which the work is done.

TRACK AND HOCKEY FIELD PLANNED AT SELLERSVILLE

Work To Be Done Under The Civil Works Program of State

APPLICATION IS FILED

SELLERSVILLE, Dec. 8.—At an estimated cost of \$4,000 a quarter mile track and a girls' hockey field are among the improvements to be added to the athletic field of Sellersville-Perkasie high school. The project which it is expected will be started shortly is to be financed through the Civil Works program. Application for enlarging and improving the athletic field has already been filed with Administrator John S. Roberts, Jr., at Bristol.

A parking space 40 by 170 feet is to be excavated to the depth of one foot and filled in with cinders or crushed stone to a depth of from six inches to one foot and a girls' hockey field 150 by 200 feet is to be graded. Ground from these two projects is to be used to extend the present athletic field in the corner adjacent to the girls' hockey field in order that the present athletic field may be made suitable for a baseball diamond.

In addition, there will be a quarter mile running track. Excavation for the track will average at least one foot. The track is to be eight feet wide around the field, with a fifteen-foot one hundred-yard straightaway on the side adjacent to Fifth street.

This is an entirely new project which is not included in the budget of the joint board for the present school year. In order to make more man-hours of labor available on the project, it is planned to convey the dirt from the girls' hockey field and the adjacent sections of the track by wheelbarrow rather than by trucks.

COMMITTEE MEETING

There will be a meeting of the supper committee at the Bristol M. E. Church basement tonight at 7:30, when final plans will be made for the supper which will be served Saturday night in connection with the Christmas bazaar.

GRANTED LICENSES

Additional hotels and restaurants have been licensed to sell liquor by the State Liquor Control Board. Among them are the following:

Wilno's, Wood street, Bristol; North Penn Restaurant, Quakertown; Abraham Mann, Morrisville; Mayflower Restaurant, Perkasie.

Yardley W. C. T. U. Active At December Meeting

YARDLEY, Dec. 8.—December meeting of Yardley W. C. T. U. was held at the home of Mrs. T. Sidney Caldwell, Tuesday afternoon. Mrs. Catherine Hatrick conducted the devotionals, after which Mrs. William Applegate read an article by Miss Helen Byrnes, "Gifts for Kings."

Mrs. Edna Funk reported having secured three new members. Miss Gladys A. Harper was appointed press and publicity director to fill the vacancy caused by the moving of Miss Ella S. Moon to Philadelphia.

Mrs. Charles Tomlinson conducted the Union Signal lesson; and Miss Elizabeth S. Weeks, Christian Citizenship director, read an article, "North Dakota U. Fraternities Ban Beer from Houses." It was decided that jams and jellies taken to the meeting by each member be given to the welfare committee for distribution.

A story "The Man Who Missed Christmas" was read by Mrs. Linford Hampton. It was reported that two Thanksgiving dinners had been given by the union. Refreshments were served by the hostess.

The next meeting will be on January 2nd at the home of Mrs. Louise C. Leedom.

CHRISTMAS PROGRAM INTERESTS CLUB WOMEN

Yardley Civic Club Group Also Plans for Young People's Dance

PLAN FOR A PLAY

YARDLEY, Dec. 8.—The December business meeting of Yardley Civic Club, was held in the club rooms yesterday afternoon, with Mrs. Algernon S. Cadwallader, presiding.

It was decided to give \$10 to the Bucks County Federation Scholarship Fund, and \$5 to the Mothers' Assistance Fund. The music committee reported final plans for the young people's dance to be held Saturday night in St. Andrew's parish house. The hostesses include: Mrs. Francis B. Barnett, Mrs. A. S. Cadwallader, Mrs. Louis C. Leedom, and Mrs. William J. Mackensen.

It was announced by the dramatic committee that a public presentation of the comedy, "Tom's Fiancee," will be given in St. Andrew's parish house, December 15, at eight p. m. The high school students will also present a play appropriate to the season, and there will be several musical numbers.

One of the features of the program included, a package wrapping contest. This was won by Mrs. Louis C. Leedom, with Mrs. A. J. Cadwallader, second. Appropriate prizes were awarded the winners.

Mrs. Francis B. Barnett was in charge of the program for the day which included: "Folk Lore and Ancient Customs," Mrs. R. C. Belleville, 3rd; a Christmas story, and the stories of origin of some of the most well known hymns, Mrs. Francis B. Barnett; the reading of the story of the Wise Men, in St. Luke, by Rev. Francis B. Barnett.

The meeting on December 21, will be the special Christmas program and will be given by members of the Trenton Contemporary Club.

Final Showing of School Play Will Occur Tonight

A fine performance of the Bristol High School Dramatic Club was witnessed by the townsfolk of Bristol last evening. The play, "East of the Morning Star," was well enacted.

The thunder and rain proved to be a source of wonder, while the lighting effects gave the scenes a unique setting.

Hermann Smith provoked much mirth by his portrayal of seadick Philip Dorn. In a new and different role, Wayne Fry characterized the money-mad Kenneth Konaston to perfection. As a mischief-making pair, Vivian Greene and William Armstrong excelled.

Tonight will be the last performance. It is hoped that the Bristol people will support their high school to the utmost of their ability.

LINDBERGH LEAVE FOR NORTH

Natal, Brazil, Dec. 2.—Col. and Mrs. Charles A. Lindbergh took off from here at 8:12 a. m. today (6:12 a. m. E. S. T.), heading northward on one of the final stages of their lengthy air jaunt, already 18,000 miles long.

Col. Lindbergh simply said his destination was "North America," declining to state whether he would stop enroute. It was believed certain here, however, that he planned to land at Para, 1,099 miles away on Brazil's northeast coast.

Their plane was filled with the capacity load of fuel and oil and was capable of making a longer jaunt in a single hop, possibly up to Cayenne, French Guinea or Pernambuco, Dutch Guinea passing through the northwest along the coast and regular Pan-American terminals. All that could be learned here was that the Lindberghs definitely were on their way home and that they had abandoned the idea of accepting any of nearly a score of official invitations to tour South America first.

KILLS SELF AFTER OPERATION

Philadelphia, Dec. 8.—William Cassidy, of Elmer, N. J., leaped to his death today from the fifth floor of the Hahnemann Hospital, where he was a patient. Hospital authorities said he had become despondent over a series of operations by which they hoped to save the sight of one of his eyes.

KILLED IN MINE HOLE

Mt. Carmel, Dec. 8.—Caught under a fall in a mine hole near here, Albert Krasewski, 17, was killed while picking coal for private use. He suffered fractures of the skull and neck.

TO OPEN BIDS DEC. 22ND

Harrisburg, Dec. 8.—Bids will be opened December 22 on five highway and bridge projects totaling 7.92 miles. Department of Highways announced today. The projects included in Montgomery County, construction of 4.88 miles of concrete and four concrete bridges on U. S. Route 309 in Springfield, Whitmarsh, Upper Dublin and Lower Gwynedd Townships and Ambler.

'ROOSEVELT'S DOLLAR SOUNDEST'

New York City, Dec. 8.—The Roosevelt dollar "is the soundest money on the face of the globe—now or at any other time. Attackers of the President's monetary policies and those putting too great an insistence on an immediate return to the gold standard may road Congress into inflationary legislation and the issue of fiat money."

That was the chief declaration of the chief warning that lay today before the National Association of Manufacturers, delivered by Recovery Administrator Hugh S. Johnson in a vigorous defense of the administration's policies and a scathing criticism of the opponents of the NRA program.

"The NRA," he asserted, "is desirous not only to clear a path out of the depression, but to rid business of evils and injustices that have plagued it for half a century."

ISSUING RETAIL LICENSES

Harrisburg, Dec. 8.—The early rush over, the Liquor Control Board settled down today to a more orderly task of issuing approximately 299 retail licenses daily with the expectation that by the end of the week most of the establishments seeking to sell liquor will have their applications.

SEVEN BURN TO DEATH

Sault Ste. Marie, Mich., Dec. 8.—Two young mothers and their five small children were burned to death today when fire trapped them in their beds. The victims were Mrs. Genevieve Hilden, 21, and her four children, and Mrs. Erlene Orr, 19, and her 18 months old daughter, Constantine. An overheated stove was blamed for the tragedy. The bodies of the two women and three of the children were found on the downstairs floor as if they had attempted to escape from the flaming home. The other two children were found in a bed room.

FOOTBALL RECEIPTS FOR HOSPITAL HERE

Big Crowd Expected to Attend the Game Booked for Sunday

ST. FRANCIS BAND

One of the biggest crowds of the season is expected to attend the football game here on Sunday when St. Ann's will play the strong St. Matthew C. C.

The game is for the benefit of the Harriman Hospital and great preparations are being made to make it a banner event.

St. Ann's are the champions of Bucks County and the St. Matthew C. C. are the Catholic champions of Philadelphia, so a tightly-fought contest can be looked for.

The band from St. Francis Industrial School, Eddington, will attend, and will furnish plenty of music to enliven the occasion. The band will drill on the field and entertain the huge crowd between the periods of play.

W. C. T. U. SESSION

The monthly meeting of the W. C. T. U. will be held in the Travel Club home, Tuesday evening, December 12th. After a short business session, the program will be in charge of Mrs. William P. Betz, with Miss Alice Buckman, of Newtown, as the speaker. Donations of food for needy of Bristol will be received at that time. All individuals interested are invited to attend the meeting. Music will form part of the program.

INDELICATO SAYS JEWELRY WAS GIVEN HIM BY FRIEND

Bristol Man Denies He Knew It Was Stolen Goods

DIVORCE IS GRANTED

Robert L. Miller, Milford Township, Guilty of Assault

DOYLESTOWN, Dec. 8.—In giving testimony at his trial at a session of criminal court now in session here, Augustus Indelicato, 25, explained to the court how he came into possession of jewelry which is alleged to have been stolen from a parked automobile on Trenton avenue, December, 1932.

Indelicato was convicted of receiving stolen goods along with Albert Mancini and John Marchetti, charged with larceny and receiving stolen goods, both of whom pleaded guilty. The trio are awaiting sentence.

Indelicato, taking the stand late Wednesday, testified that Margaret Morrow, a former friend of his, gave him the ring in question for a Christmas present, and that later on she presented him with the watch as a birthday gift. Both articles of jewelry were part of the loot which was stolen by the other defendants from a salesman's car while it was parked in Bristol, it is alleged.

Indelicato, who is alleged to have made a confession and later changed it, denied on the stand that he knew the jewelry was stolen goods when presented him by Mrs. Morrow.

President Judge Hiram H. Keller granted a divorce to William M. Brown from Gertrude R. Brown upon the payment of costs in the Court of Common Pleas, here. The grounds for divorce were cruel and barbarous treatment and desertion.

Charged with criminal assault, Charles Weed, of Trevoze, went on trial before Judge Boyer. Sophia Ozga, an inmate of the Slighton Farms, Delaware county, testified that Weed assaulted her on various occasions. She was formerly a resident of Trevoze.

Members of the jury are Marlan Schupe, forelady, Morrisville; Addison F. Hendricks, Perkasie; Fred H. Dorsety, Silverdale; Harry Sterling, Morrisville, R. D. 1; Alverda Binkley, Quakertown; Charles Beer, Perkasie; Richard Blanche, Bristol; Joseph Cornell, Southampton, R. D.; Henry Afflerbach, Newtown; Frank Mulhern, Bristol; Alice A. Buckman, Newtown; Thomas Lawrence, Bristol.

A jury returned a verdict of guilty against Robert L. Miller, 18, of Milford township, charged with a criminal assault upon 13-year-old Olga M. Smith, of Milford township.

Following a motion filed for a new trial, Miller was released under \$3,000 bail.

Miller was arrested shortly after October 8, when it is alleged the offense was committed.

Calvin Styer, 39, of Quakertown, a married man, went on trial before Judge Keller on a charge growing out of the testimony offered by a number of young Quakertown school girls.

Styer, unemployed, was defended by Louis Rubin, of Bristol, who was appointed by the Court.

Members of the jury: D. Earl Rush, Jamison; Alice H. Haldeman, New Britain; Charles Rogers, Jr., Bristol; William J. Mackensen, Yardley; J. Monroe Leister, Lumberville, Ida R. Rodrock, Doylestown; Joseph Harton, Doylestown; Mary K. Rockafellow, Forest Grove, R. D.; Cora Smith, Bristol; Harry W. Handy, Mechanicsville; Alice P. Taylor, Bristol R. D. 1.

The Commonwealth produced evidence showing that one of the teachers of the Quakertown school district lodged a complaint against several girl pupils had told her about the defendant.

The defense presented the theory of mistaken identity to offset the Commonwealth's testimony. Styer testified that he was not near the place where the offense is alleged to have been committed on the day mentioned.

Witnesses for the Commonwealth included Helen Sell, Marian Dietery, Pearl Bright, Irene Fox and County Detective Antonio Russo.

Defense witnesses included the defendant and his wife, and his brother Charles and his wife.

TWO BAKE SALES

Two bake sales will be held by students of Bristol high school tomorrow. One will be at the former Montgomery-Ward store, Mill street, and one on Farragut avenue. The proceeds will be used for the athletic fund.

WALSH ANNOUNCES ALL-AMERICAN TEAM

By Davis J. Walsh
(I. N. S. Sports Editor)
(Copyright 1933 by I. N. S.)

NEW YORK, Dec. 8.—(INS)—Owing to certain technical difficulties, it has not been possible for the International News Service to announce its official 1933 All-American football team until today. That is, it was unable to decide exactly what happened during the season until the season actually ended, which it more or less formally did on Saturday, with at least four key-games being played.

Under the circumstances, we feel that it is the best of all possible teams. It was picked last night, not last week.

The official team follows:
Position—Player
End, Skladany College
End, Skladany Pittsburgh

Tackle, Wistert Michigan
Guard, Stevens Southern California
Centre, Bernard Michigan
Guard, Corbus Stanford
Tackle, Ceppi Princeton
End, Matal Columbia
Quarterback, Warburton So. Calif.
Halfback, Feathers Tennessee
Fullback, Land Minnesota
Fullback, Sauer Nebraska

First Flight alternates:
Ends—Larson, Minnesota; Petoskey, Michigan; F. Caninus, St. Mary's; Ceister, Centenary; Borden, Fordham; Smith Wash.; Batchelor, Georgia; Devore, Notre Dame.

Tackles—Crawford, Duke; Bass, Michigan State; Lane, Princeton; Jorgenson, St. Mary's; Schnammel, Oregon State; O'Brien, Nebraska; Krause, Notre Dame; Gentick, Oklahoma; Koppans, Harvard; Rucker, Arkansas; Harvey, Holy Cross.

Guards—Gailus, Ohio State; Schammel, Iowa; Hupke, Alabama; Rosenborg, U. S. C.; Barclay, North Carolina;

Rado, Duquesne; Lagow, Rice; Burzio, Carnegie Tech.; Schock, Duke.

Centers: Seimering, San Francisco; Oen, Minnesota; Kent, Louisiana State; Del Isola, Fordham; Bucknam, Army; Hughes, Oregon; Engle, Penn.; Wilder, Columbia.

Quarterbacks—Montgomery, Columbia; Laws, Iowa; Roberts, Tulane; Smith, Centenary; Masterson, Nebraska; Soleau, Colgate; Fay, Michigan.

Halfbacks—Franklin, Oregon State; Purvis, Purdue; Howell, Alabama; Wilson, St. Mary's; Everhardus, Michigan; Sebastian, Pittsburgh; Nott, Detroit; Buckner, Army; Kabealo, Ohio State; LaForge, Arkansas; Roberts, Tulane; Randour, Villanova; Ferrara, Cornell.

Fullbacks—Phillips, Georgia Tech; Crayne, Iowa; Weinstock, Pittsburgh; Danowsky, Fordham; Mikulak, Oregon; Clark, Navy; Barnum, West Virginia; Weleyn, Kercheval, Kentucky.

It is neither necessary nor expedient to go into the "honorable mention" business, since to do so is to rapidly reach a limit by which far too many names are excluded. The list of first-flight substitutes doubtless could be expanded to name some names that are equally deserving of consideration. But I take it that those mentioned will suffice, at least, it seemed as though they did during the season.

As for the official team, it may have a few surprises but these need no apology. Bernard at centre and Warburton at quarterback are practically automatic, there being no contest on these choices. No Army man made the team because, in my opinion, no Army man should. Buckler didn't quite belong before the Notre Dame disaster of Saturday. After it, he had no chance. Thrice, he let pass-receivers get down field on defense, once for a long gain. He was drawn out of position on an end-zone pass, the receiver dropping the ball while standing all alone. He was out-punted badly in both the Navy and Notre Dame games and remained, all told, just a hard-plunging runner without real deception or guile.

Of course, Gap Davidson, the boy coach, stepped on his necktie by not

having Buckler in there for that fateful goal-line kick that actually lost the game. But Paul Johnson technically lost it by letting punts drop and roll into ruinous positions and he almost lost the Navy game by calling the wrong play at the wrongest of all times, so this very hard runner was eliminated. Kopsak faltered badly in the final game and Hutchinson at tackle wasn't in the same league with Krause.

In spite of what had been said about him, Crawford, of Duke, didn't seem to be quite the tackle that Wistert of Michigan, was all year. As for Ceppi of Princeton, he was more than consistently good and, on Saturday, he was almost great.

In the same way, Stevens came along in the late games to take the play away from Rosenberg, his U. S. C. accounts. Skladany at end was one of the very best last year. He's better now. That describes Beattie Feathers team mate, and even Corbus, by all of Tennessee, the "perfect halfback," Lund, of Minnesota, hasn't the latter's deception but his drive rates him in there above a horde of candidates.

The least that can be said of Sauer is that he was the best man on what turned out to be one of the great ball teams of the year. Pitt stopped him but nobody else could.

G. McClung a divorce from Naomi McClung, of Baltimore. The woman had requested a jury trial but failed to appear when the case was called.

HARRISBURG—(INS)—Light-hearted "dames" with heavy feet are taboo with Ralph Paulus, 25. He reached this decision when a girl stepped on his instep while he was dancing recently. An examination showed he suffered a torn ligament of the ankle.

HARRISBURG—(INS)—Curtailed of legal advertising of the 12 state constitutional amendments voted on at the November election resulted in a saving of \$127,070 to the Commonwealth, according to figures compiled by the State Department.

Instead of advertising the amendments once a week for 13 weeks, the State published them once each month for three months. The total cost was \$34,929 out of the \$160,000 provided by the legislature for this purpose.

PITTSBURGH—(INS)—Allegheny County has a one-day taxicab bill of

\$1,822.90 to pay for the transportation of vote machine mechanics during the Primary Election last September.

Election bureau attendants, according to director William T. Rees, disobeyed orders and kept the cabs waiting while they repaired broken voting machines at the polling places.

WOONSOCKET, R. I.—(INS)—If some hot jazz tune had been coming through the sizzling ether Walter H. Sharkey, local attorney, would have known why his radio set suddenly burst into flames. But he is in a quandary, as he had been listening to a religious sermon.

Announcing

NEW FORD V-8 for 1934

THE UNIVERSAL CAR

The New Ford V-8 for 1934 will be on display tomorrow at the showrooms of Ford dealers. Surpassing even the great Ford of 1933 in economy, beauty and comfort, it is truly the car of this modern age—the culmination of thirty years Ford progress. It combines the proved performance of the V-8 cylinder engine with two important new features—Dual Carburetion and perfected Clear-vision Ventilation. See it and drive it at the first opportunity.

OUTSTANDING IMPROVEMENTS IN THE NEW FORD V-8

BETTER PERFORMANCE. Greater power, new speed, quicker acceleration, smoother performance, more miles per gallon especially at higher speeds, and quicker starting in cold weather—all these result from the new dual carburetor and dual intake manifold. New waterline thermostats enable the engine to warm up more quickly and to maintain an efficient operating temperature. Added engine refinements reduce oil consumption, further improve operating economy and reduce maintenance costs.

NEW VENTILATION SYSTEM permits clear vision, prevents drafts and provides desired amount of fresh air in any weather. Individual control for front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional half-turn. This slides the glass back horizontally to form a narrow slot, as illustrated.

Through this slot air is drawn out by the forward motion of the car. This simple ventilation system maintains draft-free circulation, insures passenger comfort, prevents fogging windshield in cold or stormy weather. Both windshield and cowl ventilator can be opened to supply additional air needed for comfortable warm-weather driving.

DISTINCTIVE NEW APPEARANCE enhanced by the newly designed chromium-plated radiator shell and grille, new hood louvers, new hub caps. Interiors are attractive, with new tufted upholstery, new mouldings, new cove-type headlining, new instrument panel, new arm rests, new hardware. Swivel-type sun visors in De Luxe bodies prevent glare from front or side.

FENDERS IN COLOR. On De Luxe cars fenders are in color to harmonize with body colors

—wheel colors optional. New enamel finish on all bodies and fenders has greater wearing quality and more enduring luster.

GREATER RIDING COMFORT results from increased spring flexibility. The spring leaves are newly designed for quieter and easier action. Shock absorbers are improved. Seat cushions are deeper, with new, softer springs. New type, individual bucket seats provide increased comfort for front-seat passengers in the Tudor Sedan. Adding to comfort is the new driving ease of the 15-to-1 steering gear ratio.

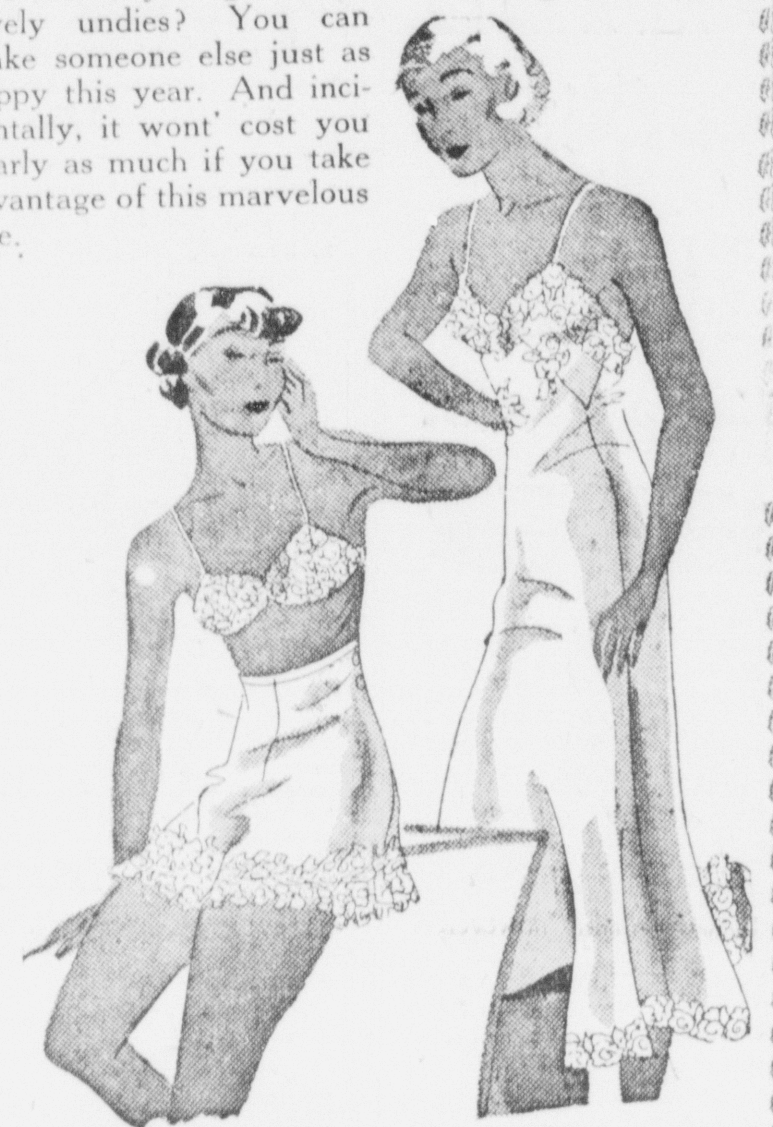

PRICES REMAIN LOW—Tudor Sedan, \$555, Coupe, \$575, Fordor Sedan, \$585, De Luxe Tudor, \$575, De Luxe Fordor, \$595, De Luxe Coupe (5 windows), \$555, De Luxe Coupe (3 windows), \$555, De Luxe Roadster, \$555, De Luxe Phaeton, \$550, Cabriolet, \$550, Victoria, \$510. (All prices f. o. b. Detroit.)

HIBS' PASSING UPSETS PATERSON PAPER TEAM

(By T. M. Juno)

That smooth-working passing machine of the Hibernians upset the Paterson Parchment Paper Company last night as the Big Green moved into a deadlock with the Y. M. A. team for first place in the Bristol Basketball League. The Paterson boys were stopped by the score of 35-24.

Playing cautiously and passing systematically, the boys from Corson street went to work in the first quarter and took a lead of 14-7. Saskowitz and J. Roe scored early in the game to give the Hibs a lead which never was overcome with the exception of the first four minutes when Lane put the P. P. Co. into the lead with a long shot.

At half-time the Dolanmen had amassed a 22-10 lead. Roe and Dougherty were leading the attack but they were helped by the fine passing of Donnelly and Saskowitz. After taking a 27-16 lead at the end of the third quarter the Hibs were more careful with their playing and began to kill time.

The Paterson team made a valiant attempt to catch up in the final session by taking shots from past the center mark of the court. Rogers was the only player successful in a long try.

"Joie" Roe and "Gige" Dougherty, taking pivot plays from Donnelly, did most of the scoring for the winners, counting twelve and eleven points, respectively. Rogers was the losers' best.

SOCCER TOURNAMENT IN PROGRESS AT HIGH SCHOOL

(By Jack Orr)

(Asst. Pub. Rep., B. H. S.)
All this week on the high school field an intramural soccer tournament has been held under the supervision of Coach Dougherty. The winner of this was the 11th grade section which nosed out the strong freshman team, 1-0, yesterday.

Starting on Monday and continuing throughout the week the following games were played: 8, 1 and 2, beat out the 7th grade team, 1-0; 8, 3 and 4, were beaten by the 9, 3 and 4, 2-0; on Tuesday, 8, 3 and 4, proved quite an upset to beat out the 10th grade commencement class; also on this day the juniors won a forfeit from the 9, 5 and 6, another freshman section.

The biggest surprise of the tournament was the triumph of the 9, 3 and 4, over the senior class, 1-0; and another 9th grade class beat out the sophomore academic class, 1-0; 11th grade, the ultimate winners, beat out the 8th grade club, 2-0; while the two strong 9th grade classes fought it out and the victors were 9, 3 and 4, by the score, 1-0. And, of course, the final, which was won by the junior class by the same score.

Line-up of final game:

Juniors	position	Freshmen
Embeast	goal	Snyder
Berry	goal	Henny
Lusiana	fullback	Lincky
Butler	fullback	Profy (c)
Dyer	halfback	Blagg
Silber	halfback	Naylor
Orazi	halfback	Cutton
Rue (c)	wing	Grimes
Zefferi	inside	Carman
J. Dick	center forward	Bickie
M. Palowez	inside	Monachella
Goal: Zefferi.	wing	

Referee, Dougherty; linesmen, Booz and Sagolia.

Score by periods:
Juniors 1 0-1
Freshmen 0 0-0

TO PRACTICE TONIGHT

The St. Ann's A. A. football team will hold a practice session tonight at their usual place. The Saints will play the St. Matthew C. C. Catholic champions of Philadelphia, on Sunday, in a benefit game for the Harriman Hospital.

HAWKS COMPLETELY ROUT ST. ANN'S TEAM

Showing a fine improvement over their other games, the Hawks completely routed the St. Ann's A. A. five in the first game of the evening, trouncing the Purple and Gold, 42-17.

Strengthened by the acquisition of Vere Balmer, Temple University star, the Hawks opened an attack in the first period which never was threatened. Balmer was the leader in the attack with six field goals. His floor work was responsible for several other tallies made by the Hawks' players.

The "Saints" could do nothing with the defense built by the Jenkmen. The height of the winners played a prominent part in their victory as on the rebounds from the backboard, the ultimate winners always received the sphere.

The Richmen did some fine passing in backcourt but could not penetrate the Black and White defense so the only thing left to do was to take shots from a distance which worked quite effectively. But whenever a miss occurred a Hawk player received the ball from the backboard.

The Hawks received credit for 18 field goals during the 40 minutes of milling, six of these going to Balmer and four to Dugan. The remainder was divided among the other players who saw action.

On Monday night, St. Ann's will play the Knights of Columbus and the Hibernians battle it out for first place with the Y. M. A. five.

Bruins of Yardley To Meet Villa Park Eleven

YARDLEY, Dec. 8.—The Yardley Bruins football team will meet the Villa Park Bruins on the Yardley field Sunday afternoon at 2:30 o'clock. Both teams are very strong and this contest promises to be a tough battle.

The Yardley team would like to book games with an outside team for Sunday, December 17th. Games may be secured by phoning to Yardley 12 or write to Chef's Auto Service.

HIGH GRID SCORES

DENVER.—(INS)—The slump in football scores reported throughout the country this season has not been noticed in the Rocky Mountain conference. Scores up to November 14 showed an increase from an average of 22 1-3 points in 1932 to an average of 23 1/2 in this conference, as compared with a drop of from 12.83 points per game to 12.09 nationally.

The increase in scoring in this section has been largely due to the activity of the Colorado Aggies and University of Colorado teams, while other teams show a slight decrease. Colorado college, which earned 73 points in six games last year, has scored but nine points in five games during the 1933 season.

MICHIGAN'S RECORD

ANN HARBOR, Mich.—(INS)—The University of Michigan's football victory over Northwestern at the close of the 1933 season which gave Michigan its fourth consecutive Big Ten title was also the 40th football game played by Michigan teams, Fred Matthaei, president of the U. of M. Club of Detroit, points out. Michigan's record for the 40th games since 1878, is: won, 32; lost, 62; tied, 18; for a percentage of .1835.

Matthaei also has figures to show that Michigan hasn't been defeated by Indiana in 4 years, by Minnesota in 6 years, by Chicago in 16 years, by Northwestern in 5 years and by Iowa in 9 years.

SPORT SHOTS by Maxwell Gordon

An echo of the past . . . we were looking through some old files of newspapers the other day . . . browsing over news of thirty-five years ago . . . when we came upon a story that struck us as something that could stand repeating.

It was a story about harness racing that appeared in the Bucks County Gazette on June 3, 1897, and should prove interesting to many of the older residents of Bristol.

To quote the opening paragraph the Gazette reporter says . . . "The looked for event of the opening of the Bristol Driving Park occurred last Saturday and Monday under the most favorable auspices. The attendance on Saturday was beyond expectations. There were over 1200 people present."

"The day was a fine one, just cool enough for the spectators in the bleachers as well as those in the grandstand. The Langhorne and Bristol trolley line, which passes the park, ran special cars to the races, and had a thriving business. The company has installed a siding at the park entrance with room for a number of cars."

"The park presented a very metropolitan appearance with a large flag-staff erected inside the track and the stars and stripes floating out to the breeze, while underneath was the burgee of the association with the letters B. D. P. sewed upon it, which was presented by Postmaster J. M. Winder."

"Saturday's races were the best two in three . . . the first event was the three minute class which was won by G. M. Williamson's 'Chester T.' from Trenton. . . . The free for all was won by C. Cooper's 'Burdell' from Trenton, and C. Ashton's 'Lizzie Roe' of Tullytown second."

"The special race which caused most of the excitement was a Bristol race and was won by Harry H. Headley's 'Winnie T.' with L. Ancker's

'Intricket' second. . . . In the colts' race, C. Snyder's 'Jessie H' came in first."

"A special mile bicycle race was won by William Fabian of Tullytown, with Alfred W. Jackson of Bristol coming in second."

On Monday's program a special class was won by E. W. Minster's 'Lady V.' with L. Ancker's 'Intricket' winning the remaining heats and Harry H. Headley's 'Winnie T.' coming in second."

The article goes on to tell about the hokey-pokey man and peanut vendors doing a land office business with the camera friends all present to make the day a success.

We believe the scene of this great event was located on the Bath Road at Laurel Bend in Bristol township . . . what a change this section presents today compared to that time.

BOBCAT BASKETEERS

BOZEMAN, Mont.—(INS)—Visions of another great Bobcat basketball machine filled the minds of Coach Subert Dyche of Montana State College and local fans as they looked over the 70 prospects who answered the first call for practice. A few years ago the 'cats were one of the fastest-scoring aggregations in the country.

Menaced by Father Time

By PURNLEY

FATHER TIME, that most relentless of pursuers, is hot on the trail of the New York Rangers, champion sextet of the National Hockey League.

The plight of the Rangers is similar to that of the 1933 Yankee baseball team. Lester Patrick's Blue Shirts are a team of stars that are growing old.

But Lester Patrick, genial and brainy leader of the ice champions, scoffs at the idea that the Rangers' great front line is slipping.

"I've been rather amused about the reported passing of the Cooks and Boucher as a forward line," says Lester. "Everybody seems to be picking on Frankie as the one to fade out of the picture. I guess that's because his brother's legs went bad at an early age."

"But Boucher hasn't shown any signs of cracking, as far as I can see, and he's only 31, the age when most hockey players are at their best. Bun Cook is a year younger, and if age means anything Bill Cook is the one on the way out. Fortunately Bill looks better than Lester, so you can say I'm not worry-

ing much over the greatest forward line in hockey."

In spite of Patrick's rebuttal, the facts seem to indicate that the Rangers' veteran stars are fading. The team got off to a miserable start in the current National Hockey League race, and while they have been doing better of late, they certainly haven't been playing like champions.

If the Blue Shirts from the Metropolis come through with another Stanley Cup triumph this season they will have to be acclaimed as a real miracle team. But there is the menacing figure of Father Time barring their path, and the old boy with the scythe is a tough baby to shove out of the way.
